

# ICE CUP

Profits heat up while customers cool down, enjoying their favorite beverage “on the rocks.”

When filled with ice, Dart’s insulated Ice Cup becomes the perfect traveling companion for bottled or canned juices, soft drinks, and teas. Great for convenience stores, quick service restaurants, cafeterias, hospitals, colleges... anywhere cold beverages are enjoyed.

Feature		Advantage		Benefit		
Insulation		Reduces condensation, maintains beverage temperature and slows ice melt		Increases customer satisfaction by retaining beverage flavor and enhances overall drinking experience		
Eye-Catching Graphics		Bright design enhances business image		No need for custom print		
No Minimum Order Quantity		Reduces inventory needs and improves inventory turns		Enhances efficiency by saving space on the counter or in the storage room		
Wide Variety of Lid Styles Available		Allows for creation of beverage package best suited to product application		Increases customer satisfaction by offering variety of beverage packages		
Seamless, One-Piece Construction		Cups won't separate at the seams		Avoids customer complaints due to leaking or accidents		
Unique Stock Number		Easy to understand		Avoids ordering mistakes and prevents out of stocks; thereby increasing operator efficiency
