

CLASSICALLY SUPERIOR

The Trusted Standard in Utility Packaging

Representing the best combination of value and quality.

Easy to Open Design - convenient tabs allow container to be opened quickly and easily.

Maximum Security with Surelock® - double line locks keep containers closed and prevent lid from popping open while on display or in transit.

Sanitary Lid Design - lid overlaps base to keep out crumbs and other contaminants.

C-Cutout Design - allows use of wrap around labels to improve branding and tamper evidency.*

Tactile Closure - distinctive snap provides an audible and tactile closure confidence.

100% Recyclable PET ♻️ - promote your commitment to environmentally responsible packaging.

Efficient and Effective Merchandising - stackable design feature conserves valuable shelf space while creating eye-catching merchandising displays.

Automation Friendly - as a complement to an extensive line of containers, automation solutions increase your operating efficiencies.

Denesting Lugs - easy one handed separation.

Relaxed Hinge Design - allows for easier more efficient filling.
